

Correction

In the article by Saleem et al, “Association of a Favorable Cardiovascular Health Profile With the Presence of Coronary Artery Calcification,” which appeared in the January 2015 issue of the journal (*Circ Cardiovasc Imaging*. 2015;8:e001851), corrections were needed.

The column headers in Table 2 reported incorrect (n=, %) for the 3 sample groups, and the caption in Figure 1 reported an overall sample size of 2468 instead of the correct sample size of 3121 used for the study.

The authors regret these errors.

This correction has been made to the article, which is available at <http://circimaging.ahajournals.org/content/8/1/e001851>.
